Here we go! Summer is finally here! We are excited to have our Summer Program running again and are so glad your children are here with us. I'm so excited to have many of our teachers back with us during this Summer. We have such an amazing staff here at Young Kidz Academy and we all are so very excited for the Summer and the things we will learn and explore.

"Mom... I'm bored!" Who hasn't heard that statement for the many weeks from our angelic children. We at Young Kidz Academy have returned to serving our children and Families and find that we are very grateful that all children are currently very healthy due to parents doing an amazing job in quarantining, and social distancing. Thank you parents and caregivers!

- Stable groups maintained: Same children together during the day.
- Limited number of toys. Toys are disinfected daily.
- More frequent hand washing.
- New drop off and pick up procedure to limit exposure to teachers and children.
- All children, teachers and staff get temperature taken upon entering school.
